

## GREAT HANDICAP TO BE RUN TO-DAY

Brooklyn Stake of \$20,000 Opening Feature on Government Track.

### RACEGOERS IN A QUANDARY

Delhi, However, Will Probably be Favorite—Some Other Leading Entries.

(By Associated Press.)  
NEW YORK, May 24.—From the broad stretches of the new Belmont Park to the historic course at Gravesend, eastern racing interest turns to-morrow with the nineteenth running of the classic Brooklyn handicap. An even dozen thoroughbreds are named as contenders for the \$20,000 prize and while the field does not contain a *Hermis* or an *Irish Lad*, these three are the only horses in the Brooklyn race that are not in the public's eye. The race is evenly matched, giving promise of a contest fought out over every yard of the mile and a quarter distance. Delhi has the premier honor of carrying top weight, his impost being 124 pounds. Bromstick, the sturdy four-year-old son of Ben Dutch, who in the Brighton handicap last year, ran the fastest mile and a quarter known in racing annals, is next in the handicapper's estimation with 119 pounds.

Racegoers are in something of a quandary to-night as to what horse will be given the post favorite. The choice of the public, despite the fact that his recent effort in public was not impressive, Lord of the Vale, belonging to August Belmont, winner of last year's Saratoga handicap, and a horse of demonstrated ability, will take the place of Beland in the Brooklyn, the mare being in no condition to race at this time. There is no denying the strength of the entry of C. E. Rowe, the owner, whose courtship of the horse on Colonial Girl, the conqueror of *Hermis*, and *First Mason*, the half brother of the great *Whirlwind*, both Colonial Girl and *First Mason* were in the Metropolitan handicap three weeks ago and the performance of the former was no good that may explain the choice. It will take the winner of the event to defeat her.

### GRAIN MARKET EXCITED.

Sharp Advance in May Corn. Excited Scramble of Shorts.

(Special to The Times-Dispatch.)  
CHICAGO, May 24.—Today an advance of 7 1/4 cents in May corn, the price touching 65 cents, an excited scramble of shorts, large and small, with the bulls holding on to their line, and apparently selling little or none, were the features in the grain markets. The longs are taking in the cash corn, and the shorts are covering. They got \$20.00 bushels yesterday from the *Wrenn House*, which took it in December. The shorts are taking in a scant profit, figuring in the cost of carrying it. The *Bartlett-Frazier-Patten House* also took it out at 65 cents. As possible, which, with small receipts, makes the shorts' outlook dubious. To-day's inspection was 162 cars, and 155 cars were estimated to be in the tables.

Receivers report less corn consigned than expected in view of the prices and weather. Trade was not heavy, and offerings were small, part coming from *Arrows* and others who have the cash title.

An open interest close to 2,000,000 bushels is still out.

### BROTHERS SENTENCED.

Fifteen Years Each for Killing a Neighbor.

(Special to The Times-Dispatch.)  
BRISTOL, TENN., May 21.—For the murder of William S. Burton, a highly respected citizen, who was shot to death one night last fall, Grover and Clinton Nelson, brothers, both young men, were to-day sentenced to fifteen years each in the penitentiary.

The mitigating circumstances that saved them from the death penalty was that some of their neighbors had threatened them with violence if they did not leave the community.

### Dr. Benmosche Has Left City.

Dr. Benmosche has gone to Johns Hopkins Hospital University, where he will take up a course of post-graduate work in its various departments.

Dr. Benmosche's stay will extend over several years, and on his return he will be able to practice and prepare for his duties as teacher next year in the medical department of the Medical College of Virginia.

## POLICE CHIEFS MAY MEET NEXT IN RICHMOND

Believed That Invitation Will be Extended to National Convention.

(From Our Regular Correspondent.)  
WASHINGTON, D. C., May 24.—The Richmond Police Chiefs Association will be extended the national convention of police chiefs, which is now in session in this city, to meet in Richmond next year. The Richmond delegation had not decided this afternoon whether the invitation should be extended, but it was thought likely that the city would be asked to partake of the hospitality of the capital of the South.

The Richmond delegation received additions to-day in the persons of Mr. W. G. Duke, member of the Board of Police Commissioners; A. D. Landerkin, member of the board; George Pollock, secretary of the board, accompanied by his wife, Mr. Joseph B. Welch, member of the board, who has been here several days, is accompanied by his daughter.

## THE BEST TONIC

When the system gets debilitated and in a run-down condition it needs a tonic and there has never been one discovered that is the equal of S. S. S. It is especially adapted for a systemic remedy, because it contains no strong minerals to derange the stomach and digestion, and affect the liver and bowels. It is made entirely of roots, herbs and barks selected for their purifying and healing qualities, and possesses just the properties that are needed to restore to the body strong robust health. When the blood becomes impure and clogged with waste matters and poisons the body does not receive sufficient nourishment and suffers from debility, weakness, sleeplessness, nervousness, loss of appetite, bad digestion and many other disagreeable symptoms of a disordered blood circulation, and if it is not corrected some form of malignant fever or other dangerous disorder will follow. S. S. S. builds up the broken down constitution, clears the blood of all poisons and impurities and makes it strong and healthy. The nerves are restored to a calm restful state, refreshing sleep is had again, the appetite returns and the whole system is toned up by this great remedy. S. S. S. is a blood purifier and tonic and acts promptly in this run-down debilitated condition of the system. Book on the blood and medical advice furnished by our physicians, without charge.

I have used your S. S. S. and found it to be an excellent tonic to build up the general health and give tone and strength to the system. I have used other things highly recommended, but S. S. S. did more good than anything else combined. As to its tonic properties it gives a splendid appetite, refreshing sleep, and the system undergoes a general building up under its invigorating influence. 548 Woodland Ave., Warren, O. Mass. E. S. ## THE MEDICAL ASSOCIATION

Resist the Move of Insurance Companies to Reduce Fees.

### NEW OFFICERS ARE ELECTED

Charlotte Selected as the Next Place of Meeting.

(Special to The Times-Dispatch.)  
GREENSBORO, N. C., May 24.—The attendance at the sessions of the State Medical Society broke all records to-day, six hundred members out of a total membership of one thousand being present at this afternoon's session.

Matters of chief importance, besides reading papers under the programme assignment, were the election of officers and discussion on resolutions presented by the House of Delegates, pledging members to resist the efforts of the old line life insurance companies to reduce policy applicant examination fees from five to three dollars.

The general trend of discussion was resistance to the death of any form of restriction to members of the society or the medical profession as to what their professional charges or ethics should be. The resolutions expressive of this principle and fixing minimum charge as at present, five dollars, were unanimously adopted.

### RUN AWAY.

Another Lively Experience for H. Clay Grubb.

(Special to The Times-Dispatch.)  
SALISBURY, N. C., May 24.—H. Clay Grubb, a resident of Salisbury, had a row escape from serious injuries and possibly death again to-day by his carriage and horse running away near his home. The team, which took fright at the discharge of a shotgun near the roadside, ran violently, and Mr. Grubb, who remained in the vehicle.

Charlotte, 3; Danville, 1.  
(Special to The Times-Dispatch.)  
CHARLOTTE, N. C., May 24.—In the best game that has been played on a local diamond this season Charlotte defeated Danville by a score of 3 to 1. Wes, who was on the slab for the Virginia, struck out the Charlottesville in one, two, three, after which Danville failed to score in the home plate in the first inning.

Every inch of ground was contested, and Charlotte did not score until the seventh. Wes, with a long two-bagger, brought two men over the rubber. The locals added one more in the eighth, but Danville failed to land another run. Giles, Charlotte's right fielder, was fined five dollars and put out of the game for disputing a decision and Gibbs succeeded him.

Batteries—Danville, Wes and Benny; Charlotte, Howard and Lind.

### Green-Smith.

(Special to The Times-Dispatch.)  
WINSTON-SALEM, N. C., May 24.—St. Paul's Episcopal church, which has been a place of a pretentious and very quiet, wedding to-day, when Miss Bessie Smith and Mr. James H. Green were married by the Rev. Henry H. Cooke. Only the immediate families were present to witness the ceremony.

Mr. and Mrs. Green left shortly after the nuptials for Washington and Atlantic City, where they will spend several weeks. The bride is the daughter of Major and Mrs. S. H. Smith, and is one of the most popular and accomplished young women of the city. Mr. Green is a successful business man, being manager of this market for the American Tobacco Company.

### Bids Too High.

(Special to The Times-Dispatch.)  
RALEIGH, N. C., May 24.—The committee of the trustees of the State Hospital for the Insane at Raleigh, appointed to have in charge the erection of the \$40,000 addition authorized by the last Legislature, met yesterday and opened bids from contractors. There were five submitted, but all of them were for more than the \$40,000 available for the work, so that the State had to be rejected. The architect has been directed to make alterations in the plans, so that the entire cost of the building will be within the limit that can be obtained.

John W. Thompson, of Raleigh, is the chairman of the committee.

### Winston Affairs.

(Special to The Times-Dispatch.)  
WINSTON-SALEM, N. C., May 24.—The trial of J. W. Hammond, a Court House, will begin in the Superior Court next Monday. Judge Cook this afternoon ordered the sheriff to summon a special venire of one hundred men. The order of Winston has effected a compromise with D. L. Payne, a Greensboro man, who sustained a painful injury by the reservoir disaster last November. Mr. Payne received \$500.

### Mr. Eakies Here.

Mr. E. E. Eakies, of Sweet Chalmers Springs, Allegheny county, Va., is in Richmond for a few days, making arrangements for the opening of his popular summer resort.

Mr. Eakies will be at Murphy's Hotel during his stay in Richmond.

### WESTERNERS TO BUILD NEW TOWN IN SOUTH

(By Associated Press.)  
BRUNSWICK, GA., May 24.—A deal involving one million dollars and 125,000 acres of land in Liberty and Franklin counties, Va., was closed to-day. The purchasers are a syndicate of Chicago and St. Louis capitalists. The closing of this deal, which has been on for the past several weeks, a majority of those interested having been in Brunswick, means the building of a railroad to Appalachicola, Fla., from St. Joseph, a distance of forty miles. The road will then extend northward 100 miles to Quincy and it is understood that it will then head for Atlanta. The purchase also means the settlement and building of a city at St. Joseph. The purchasers have recently visited the tract and inspected it thoroughly.

The land sold was owned by a syndicate of Georgia and Florida business men.

## BOY OF SIXTEEN IS A MORAL LUNATIC

Incorrigible and Is Placed in Jail as a Last Remedy.

(Special to The Times-Dispatch.)  
RALEIGH, N. C., May 24.—For God's sake mother, don't have me locked up in the dirty filthy jail, I will do anything you say and come right home. It was the sixteen-year-old son of Rev. J. T. Edmundson, a Baptist evangelist, speaking, and he was at the telephone in the office of the Wake county sheriff. He had asked the privilege of calling up his mother on the 'phone before being carried to a cell in the jail. The sheriff had told him that inasmuch as his mother or could not bear his outrageous conduct, there was nothing to do but put him in jail until he felt that he could behave himself.

The boy's father was away from home and it had been decided that while he was apparently sound of mind, there is an inordinate desire for money that came upon him at intervals and to satisfy this "crave," he would for the minute resort to any means to obtain it.

It was about a month ago in New York that the young man attempted to forge the name of Chas. E. Johnson, of this city, and the endorsement of the American Tobacco Company on a check and was gotten out of the clutches of the law—through the intercession of friends.

He was brought home and within a few weeks forged the name of his father and some others to notes in the effort to procure goods and money. This, too, was smothered over without prosecution.

Two days later the boy was found in the basement of his home here partially unconscious from what he declared was an attempt to take his own life. He was brought around all right and had made money from the house a quantity of his father's money, which was in the hands of the sheriff of Wilmington Street. All this, too, after his attempt at suicide, as he claimed and in the face of the promises he had made to his mother. This was the last straw and a friend of the family went before the authorities and secured his detention in jail as of unsound mind.

In reply to the pleadings of the boy the mother told her son that she had done all in the world she could for him, but if the sheriff would let him off on his parole, she was willing for him to come home again for another trial. However the sheriff told the boy that he had in his hand a warrant for his commitment to jail and there was nothing for him to do but to look him up until some process was set in motion to release him. With this the boy was carried along to the jail and locked up.

The case is a remarkable one in that physicians who have examined the boy pronounced him of sound mind, but that judging from his conduct, there must be times when he is seized with a crazed desire to obtain money and this leads him to commit offenses for which he should not be held criminally responsible.

The boy will be kept in jail until his father returns to the city and some steps can be taken to get him in some institution where he can be treated in the hope of correcting this defect, be it of the mind or the character.

### Littleton College.

(Special to The Times-Dispatch.)  
LITTLETON, N. C., May 24.—The commencement exercises of Littleton College began to-day evening with a fine sermon by Rev. J. H. Shore before the Young Woman's Christian Association. The exercises will be held to-morrow and the college has effected a compromise with D. L. Payne, a Greensboro man, who sustained a painful injury by the reservoir disaster last November. Mr. Payne received \$500.

### Thirteen Fair Graduates.

(Special to The Times-Dispatch.)
